20               (1) *IN GENERAL.*—*Not later than 3 years after*  
 21 *the date of enactment of this Act, in accordance with*  
 22 *applicable laws (including regulations), the Secretary*  
 23 *shall publish a determination regarding whether to*  
 24 *authorize livestock grazing or other use by livestock on*  
 25 *the vacant allotments known as—*

1                   (A) the “Big Hole Allotment”; and

2                   (B) the “Blue Ridge Allotment”.

3                   (2) *MODIFICATION OF ALLOTMENTS.*—In pub-  
 4                   lishing a determination pursuant to paragraph (1),  
 5                   the Secretary may modify or combine the vacant al-  
 6                   lotments referred to in that paragraph.

7                   (3) *PERMIT OR OTHER AUTHORIZATION.*—Not  
 8                   later than 1 year after the date on which a deter-  
 9                   mination of the Secretary to authorize livestock graz-  
 10                  ing or other use by livestock is published under para-  
 11                  graph (1), if applicable, the Secretary shall grant a  
 12                  permit or other authorization for that livestock graz-  
 13                  ing or other use in accordance with applicable laws  
 14                  (including regulations).

15                  (d) *RANGE IMPROVEMENTS.*—

16                  (1) *IN GENERAL.*—If the Secretary permits live-  
 17                  stock grazing or other use by livestock on the potential  
 18                  wilderness area under subsection (c), the Secretary, or  
 19                  a third party authorized by the Secretary, may use  
 20                  any motorized or mechanized transport or equipment  
 21                  for purposes of constructing or rehabilitating such  
 22                  range improvements as are necessary to obtain appro-  
 23                  priate livestock management objectives (including  
 24                  habitat and watershed restoration).

1           (2) *TERMINATION OF AUTHORITY.*—*The author-*  
 2           *ity provided by this subsection terminates on the date*  
 3           *that is 2 years after the date on which the Secretary*  
 4           *publishes a positive determination under subsection*  
 5           *(c)(3).*

6           (e) *DESIGNATION AS WILDERNESS.*—

7           (1) *DESIGNATION.*—*The potential wilderness*  
 8           *area designated by subsection (a) shall be designated*  
 9           *as wilderness, to be known as the “Williams Fork*  
 10           *Mountains Wilderness”*—

11                   (A) *effective not earlier than the date that*  
 12                   *is 180 days after the date of enactment this Act;*  
 13                   *and*

14                   (B) *on the earliest of—*

15                           (i) *the date on which the Secretary*  
 16                           *publishes in the Federal Register a notice*  
 17                           *that the construction or rehabilitation of*  
 18                           *range improvements under subsection (d) is*  
 19                           *complete;*

20                           (ii) *the date described in subsection*  
 21                           *(d)(2); and*

22                           (iii) *the effective date of a determina-*  
 23                           *tion of the Secretary not to authorize live-*

13                  *ing regulations); and*

14                  (iii) *this section.*

15               (2) *USES.—*

16               (A) *IN GENERAL.—The Secretary shall only*  
17               *allow such uses of the Recreation Management*  
18               *Area as the Secretary determines would further*  
19               *the purposes described in subsection (b).*

20               (B) *VEHICLES.—*

21               (i) *IN GENERAL.—Except as provided*  
22               *in clause (iii), the use of motorized vehicles*  
23               *in the Recreation Management Area shall be*  
24               *limited to the roads, vehicle classes, and pe-*

riods authorized for motorized vehicle use on the date of enactment of this Act.

(ii) *NEW OR TEMPORARY ROADS.*—Except as provided in clause (iii), no new or temporary road shall be constructed in the Recreation Management Area.

(iii) *EXCEPTIONS.*—Nothing in clause (i) or (ii) prevents the Secretary from—

(I) rerouting or closing an existing road or trail to protect natural resources from degradation, as the Secretary determines to be appropriate;

(II) authorizing the use of motorized vehicles for administrative purposes or roadside camping;

(III) constructing temporary roads or permitting the use of motorized vehicles to carry out pre- or post-fire watershed protection projects;

(IV) authorizing the use of motorized vehicles to carry out any activity described in subsection (d), (e)(1), or (f); or

(V) responding to an emergency.

(C) *COMMERCIAL TIMBER.*—

1                   (i) *IN GENERAL.*—Subject to clause  
2                   (ii), no project shall be carried out in the  
3                   Recreation Management Area for the pur-  
4                   pose of harvesting commercial timber.

5                   (ii) *LIMITATION.*—Nothing in clause  
6                   (i) prevents the Secretary from harvesting  
7                   or selling a merchantable product that is a  
8                   byproduct of an activity authorized under  
9                   this section.

10           (d) *FIRE, INSECTS, AND DISEASES.*—The Secretary  
11           may carry out any activity, in accordance with applicable  
12           laws (including regulations), that the Secretary determines  
13           to be necessary to prevent, control, or mitigate fire, insects,  
14           or disease in the Recreation Management Area, subject to  
15           such terms and conditions as the Secretary determines to

5                   (IV) *responding to an emergency.*

6                   (D) *COMMERCIAL TIMBER.—*

7                   (i) *IN GENERAL.—Subject to clause*  
8                   *(ii), no project shall be carried out in the*  
9                   *Wildlife Conservation Area for the purpose*  
10                  *of harvesting commercial timber.*

11                  (ii) *LIMITATION.—Nothing in clause*  
12                  *(i) prevents the Secretary from harvesting*  
13                  *or selling a merchantable product that is a*  
14                  *byproduct of an activity authorized under*  
15                  *this section.*

16               (d) *FIRE, INSECTS, AND DISEASES.—The Secretary*  
17               *may carry out any activity, in accordance with applicable*  
18               *laws (including regulations), that the Secretary determines*  
19               *to be necessary to prevent, control, or mitigate fire, insects,*  
20               *or disease in the Wildlife Conservation Area, subject to such*  
21               *terms and conditions as the Secretary determines to be ap-*  
22               *propriate.*

23               (e) *REGIONAL TRANSPORTATION PROJECTS.—Nothing*  
24               *in this section or section 110(e) precludes the Secretary*  
25               *from authorizing, in accordance with applicable laws (in-*

cluding regulations), the use or leasing of Federal land within the Wildlife Conservation Area for—

(1) a regional transportation project, including—

(A) highway widening or realignment; and

(B) construction of multimodal transportation systems; or

(2) any infrastructure, activity, or safety measure associated with the implementation or use of a facility constructed under paragraph (1).

(f) *APPLICABLE LAW*.—Nothing in this section affects the designation of the Federal land within the Wildlife Conservation Area for purposes of—

(1) section 138 of title 23, United States Code; or

(2) section 303 of title 49, United States Code.

(g) *WATER*.—Section 3(e) of the James Peak Wilderness and Protection Area Act (Public Law 107–216; 116 Stat. 1058) shall apply to the Wildlife Conservation Area.

**SEC. 106. WILLIAMS FORK MOUNTAINS WILDLIFE CONSERVATION AREA.**

(a) *DESIGNATION*.—Subject to valid existing rights, the approximately 3,528 acres of Federal land in the White River National Forest in the State, as generally depicted as “Proposed Williams Fork Mountains Wildlife Conserva-

1 tion Area” on the map entitled “Williams Fork Mountains  
2 Proposal” and dated June 24, 2019, are designated as the  
3 “Williams Fork Mountains Wildlife Conservation Area”  
4 (referred to in this section as the “Wildlife Conservation  
5 Area”).

6 (b) *PURPOSES.*—The purposes of the Wildlife Con-  
7 servation Area are to conserve, protect, and enhance for the  
8 benefit and enjoyment of present and future generations the  
9 wildlife, scenic, roadless, watershed, recreational, and eco-  
10 logical resources of the Wildlife Conservation Area.

11 (c) *MANAGEMENT.*—

12 (1) *IN GENERAL.*—The Secretary shall manage  
13 the Wildlife Conservation Area—

14 (A) in a manner that conserves, protects,  
15 and enhances the purposes described in sub-  
16 section (b); and

17 (B) in accordance with—

18 (i) the Forest and Rangeland Renew-  
19 able Resources Planning Act of 1974 (16  
20 U.S.C. 1600 et seq.);

21 (ii) any other applicable laws (includ-  
22 ing regulations); and

23 (iii) this section.

24 (2) *USES.*—

1           (A) *IN GENERAL.*—*The Secretary shall only*  
2           *allow such uses of the Wildlife Conservation Area*  
3           *as the Secretary determines would further the*  
4           *purposes described in subsection (b).*

5           (B) *MOTORIZED VEHICLES.*—

6           (i) *IN GENERAL.*—*Except as provided*  
7           *in clause (iii), the use of motorized vehicles*  
8           *in the Wildlife Conservation Area shall be*  
9           *limited to designated roads and trails.*

10          (ii) *NEW OR TEMPORARY ROADS.*—*Ex-*  
11          *cept as provided in clause (iii), no new or*  
12          *temporary road shall be constructed in the*  
13          *Wildlife Conservation Area.*

14          (iii) *EXCEPTIONS.*—*Nothing in clause*  
15          *(i) or (ii) prevents the Secretary from—*

16               (I) *authorizing the use of motor-*  
17               *ized vehicles for administrative pur-*  
18               *poses;*

19               (II) *authorizing the use of motor-*  
20               *ized vehicles to carry out activities de-*  
21               *scribed in subsection (d); or*

22               (III) *responding to an emergency.*

23          (C) *BICYCLES.*—*The use of bicycles in the*  
24          *Wildlife Conservation Area shall be limited to*  
25          *designated roads and trails.*

1                   (D) *COMMERCIAL TIMBER.*—

2                   (i) *IN GENERAL.*—Subject to clause  
3                   (ii), no project shall be carried out in the  
4                   Wildlife Conservation Area for the purpose  
5                   of harvesting commercial timber.

6                   (ii) *LIMITATION.*—Nothing in clause  
7                   (i) prevents the Secretary from harvesting  
8                   or selling a merchantable product that is a  
9                   byproduct of an activity authorized under  
10                  this section.

11                  (E) *GRAZING.*—The laws (including regula-  
12                  tions) and policies followed by the Secretary in  
13                  issuing and administering grazing permits or  
14                  leases on land under the jurisdiction of the Sec-  
15                  retary shall continue to apply with regard to the  
16                  land in the Wildlife Conservation Area, con-  
17                  sistent with the purposes described in subsection  
18                  (b).

19                  (d) *FIRE, INSECTS, AND DISEASES.*—The Secretary  
20                  may carry out any activity, in accordance with applicable  
21                  laws (including regulations), that the Secretary determines  
22                  to be necessary to prevent, control, or mitigate fire, insects,  
23                  or disease in the Wildlife Conservation Area, subject to such  
24                  terms and conditions as the Secretary determines to be ap-  
25                  propriate.

1       (e) *REGIONAL TRANSPORTATION PROJECTS*.—Nothing  
 2   in this section or section 110(e) precludes the Secretary  
 3   from authorizing, in accordance with applicable laws (in-  
 4   cluding regulations), the use or leasing of Federal land  
 5   within the Wildlife Conservation Area for—

6           (1) a regional transportation project, includ-  
 7       ing—

8                   (A) highway widening or realignment; and

9                   (B) construction of multimodal transpor-  
 10       tation systems; or

11           (2) any infrastructure, activity, or safety meas-  
 12       ure associated with the implementation or use of a fa-  
 13       cility constructed under paragraph (1).

14       (f) *WATER*.—Section 3(e) of the James Peak Wilder-  
 15   ness and Protection Area Act (Public Law 107–216; 116  
 16   Stat. 1058) shall apply to the Wildlife Conservation Area.

17   **SEC. 107. CAMP HALE NATIONAL HISTORIC LANDSCAPE.**

18       (a) *DESIGNATION*.—Subject to valid existing rights,  
 19   the approximately 28,676 acres of Federal land in the White

3                   of 1980 (42 U.S.C. 9601 *et seq.*); and

4                   (iii) any other applicable provision of  
5                   law (including regulations).

6           (3) *EFFECT OF SUBSECTION.*—Nothing in this  
7           subsection modifies any obligation in existence on the  
8           date of enactment of this Act relating to environ-  
9           mental remediation or removal of any unexploded  
10          ordnance located in or around the Camp Hale his-  
11          toric cantonment area, the Camp Hale Formerly  
12          Used Defense Site, or the Historic Landscape, includ-  
13          ing such an obligation under—

14                   (A) the program for environmental restora-  
15                   tion of formerly used defense sites under section  
16                   2701 of title 10, United States Code;

17                   (B) the Comprehensive Environmental Re-  
18                   sponse, Compensation, and Liability Act of 1980  
19                   (42 U.S.C. 9601 *et seq.*); or

20                   (C) any other applicable provision of law  
21                   (including regulations).

22          (f) *INTERAGENCY AGREEMENT.*—The Secretary and  
23          the Secretary of the Army shall enter into an agreement—

24                   (1) to specify—

1           (A) the activities of the Secretary relating  
2           to the management of the Historic Landscape;  
3           and

4           (B) the activities of the Secretary of the  
5           Army relating to environmental remediation and  
6           the removal of unexploded ordnance in accord-  
7           ance with subsection (e) and other applicable  
8           laws (including regulations); and

9           (2) to require the Secretary to provide to the Sec-  
10          retary of the Army, by not later than 1 year after the  
11          date of enactment of this Act and periodically there-  
12          after, as appropriate, a management plan for the  
13          Historic Landscape for purposes of the removal ac-  
14          tivities described in subsection (e).

15       (g) *EFFECT.*—Nothing in this section—

16           (1) affects the jurisdiction of the State over any  
17           water law, water right, or adjudication or adminis-  
18           tration relating to any water resource;

19           (2) affects any water right in existence on or  
20           after the date of enactment of this Act, or the exercise  
21           of such a water right, including—

22           (A) a water right under an interstate water  
23           compact (including full development of any ap-  
24           portionment made in accordance with such a  
25           compact);

1           (B) a water right decreed within, above,  
2 below, or through the Historic Landscape;

3           (C) a water right held by the United States;

4           (D) the management or operation of any  
5 reservoir, including the storage, management, re-  
6 lease, or transportation of water; and

7           (E) the construction or operation of such  
8 infrastructure as is determined to be necessary  
9 by an individual or entity holding water rights  
10 to develop and place to beneficial use those  
11 rights, subject to applicable Federal, State, and  
12 local law (including regulations);

13       (3) constitutes an express or implied reservation  
14 by the United States of any reserved or appropriative  
15 water right;

16       (4) alters or limits—

17           (A) a permit held by a ski area;

18           (B) the implementation of activities gov-  
19 erned by a ski area permit; or

20           (C) the authority of the Secretary to modify  
21 or expand an existing ski area permit;

22       (5) prevents the Secretary from closing portions  
23 of the Historic Landscape for public safety, environ-  
24 mental remediation, or other use in accordance with  
25 applicable laws; or

1           (6) *affects—*

2                   (A) *any special use permit in effect on the*  
3           *date of enactment of this Act; or*

4                   (B) *the renewal of a permit described in*  
5           *subparagraph (A).*

6       (h) *FUNDING.—*

7           (1) *IN GENERAL.—There is established in the*  
8           *general fund of the Treasury a special account, to be*  
9           *known as the “Camp Hale Historic Preservation and*  
10          *Restoration Fund”.*

11          (2) *AUTHORIZATION OF APPROPRIATIONS.—*  
12          *There is authorized to be appropriated to the Camp*

17          *around the Historic Landscape.*

18   **SEC. 108. WHITE RIVER NATIONAL FOREST BOUNDARY**  
19                   **MODIFICATION.**

20          (a) *IN GENERAL.—The boundary of the White River*  
21          *National Forest is modified to include the approximately*  
22          *120 acres comprised of the SW 1/4, the SE 1/4, and the*  
23          *NE 1/4 of the SE 1/4 of sec. 1, T. 2 S., R. 80 W., 6th*  
24          *Principal Meridian, in Summit County in the State.*

1       (b) *LAND AND WATER CONSERVATION FUND.*—For  
 2   purposes of section 200306 of title 54, United States Code,  
 3   the boundaries of the White River National Forest, as modi-  
 4   fied under subsection (a), shall be considered to be the  
 5   boundaries of the White River National Forest as in exist-  
 6   ence on January 1, 1965.

7   **SEC. 109. ROCKY MOUNTAIN NATIONAL PARK POTENTIAL**  
 8                   **WILDERNESS BOUNDARY ADJUSTMENT.**

9       (a) *PURPOSE.*—The purpose of this section is to pro-  
 10   vide for the ongoing maintenance and use of portions of  
 11   the Trail River Ranch and the associated property located  
 12   within Rocky Mountain National Park in Grand County  
 13   in the State.

14       (b) *BOUNDARY ADJUSTMENT.*—Section 1952(b) of the  
 15   Omnibus Public Land Management Act of 2009 (Public  
 16   Law 111–11; 123 Stat. 1070) is amended by adding at the  
 17   end the following:

18               “(3) *BOUNDARY ADJUSTMENT.*—The boundary of  
 19   the Potential Wilderness is modified to exclude the  
 20   area comprising approximately 15.5 acres of land  
 21   identified as ‘Potential Wilderness to Non-wilderness’  
 22   on the map entitled ‘Rocky Mountain National Park  
 23   Proposed Wilderness Area Amendment’ and dated

 2 **TION AREA.**

3 (a) *WITHDRAWAL.*—*Subject to valid existing rights,*  
 4 *the Thompson Divide Withdrawal and Protection Area is*  
 5 *withdrawn from—*

6 (1) *entry, appropriation, and disposal under the*  
 7 *public land laws;*

8 (2) *location, entry, and patent under the mining*  
 9 *laws; and*

10 (3) *operation of the mineral leasing, mineral*  
 11 *materials, and geothermal leasing laws.*

12 (b) *SURVEYS.*—*The exact acreage and legal description*  
 13 *of the Thompson Divide Withdrawal and Protection Area*  
 14 *shall be determined by surveys approved by the Secretary,*  
 15 *in consultation with the Secretary of Agriculture.*

16 **SEC. 304. THOMPSON DIVIDE LEASE EXCHANGE.**

17 (a) *IN GENERAL.*—*In exchange for the relinquishment*  
 18 *by a leaseholder of all Thompson Divide leases of the lease-*  
 19 *holder, the Secretary may issue to the leaseholder credits*  
 20 *for any bid, royalty, or rental payment due under any Fed-*  
 21 *eral oil or gas lease on Federal land in the State, in accord-*  
 22 *ance with subsection (b).*

23 (b) *AMOUNT OF CREDITS.*—

24 (1) *IN GENERAL.*—*Subject to paragraph (2), the*  
 25 *amount of the credits issued to a leaseholder of a*

1 *Thompson Divide lease relinquished under subsection*

2 *(a) shall—*

3 *(A) be equal to the sum of—*

4 *(i) the amount of the bonus bids paid*  
5 *for the applicable Thompson Divide leases;*

6 *(ii) the amount of any rental paid for*  
7 *the applicable Thompson Divide leases as of*  
8 *the date on which the leaseholder submits to*  
9 *the Secretary a notice of the decision to re-*  
10 *linquish the applicable Thompson Divide*  
11 *leases; and*

12 *(iii) the amount of any expenses in-*  
13 *curring by the leaseholder of the applicable*  
14 *Thompson Divide leases in the preparation*  
15 *of any drilling permit, sundry notice, or*  
16 *other related submission in support of the*  
17 *development of the applicable Thompson Di-*

21 *ronmental Policy Act of 1969 (42 U.S.C.*  
22 *4321 et seq.); and*

23 *(B) require the approval of the Secretary.*

24 *(2) EXCLUSION.—The amount of a credit issued*  
25 *under subsection (a) shall not include any expenses*

1       *paid by the leaseholder of a Thompson Divide lease*  
 2       *for legal fees or related expenses for legal work with*  
 3       *respect to a Thompson Divide lease.*

4       (c) *CANCELLATION.—Effective on relinquishment*  
 5       *under this section, and without any additional action by*  
 6       *the Secretary, a Thompson Divide lease—*

7               (1) *shall be permanently cancelled; and*

8               (2) *shall not be reissued.*

9       (d) *CONDITIONS.—*

10           (1) *APPLICABLE LAW.—Except as otherwise pro-*  
 11       *vided in this section, each exchange under this section*  
 12       *shall be conducted in accordance with—*

13                   (A) *this Act; and*

14                   (B) *other applicable laws (including regula-*  
 15       *tions).*

16       (2) *ACCEPTANCE OF CREDITS.—The Secretary*  
 17       *shall accept credits issued under subsection (a) in the*  
 18       *same manner as cash for the payments described in*  
 19       *that subsection.*

20       (3) *APPLICABILITY.—The use of a credit issued*  
 21       *under subsection (a) shall be subject to the laws (in-*  
 22       *cluding regulations) applicable to the payments de-*  
 23       *scribed in that subsection, to the extent that the laws*  
 24       *are consistent with this section.*

1           (4) *TREATMENT OF CREDITS.*—All amounts in  
 2           the form of credits issued under subsection (a) accept-  
 3           ed by the Secretary shall be considered to be amounts  
 4           received for the purposes of—

5                     (A) *section 35 of the Mineral Leasing Act*  
 6                     (30 U.S.C. 191); and

7                     (B) *section 20 of the Geothermal Steam Act*  
 8                     of 1970 (30 U.S.C. 1019).

9           (e) *WOLF CREEK STORAGE FIELD DEVELOPMENT*  
 10          *RIGHTS.*—

11                   (1) *CONVEYANCE TO SECRETARY.*—As a condi-  
 12                   tion precedent to the relinquishment of a Thompson  
 13                   Divide lease, any leaseholder with a Wolf Creek Stor-  
 14                   age Field development right shall permanently relin-  
 15                   quish, transfer, and otherwise convey to the Secretary,  
 16                   in a form acceptable to the Secretary, all Wolf Creek  
 17                   Storage Field development rights of the leaseholder.

18                   (2) *LIMITATION OF TRANSFER.*—An interest ac-

1 **SEC. 305. GREATER THOMPSON DIVIDE FUGITIVE COAL**  
2 **MINE METHANE USE PILOT PROGRAM.**

3 (a) *FUGITIVE COAL MINE METHANE USE PILOT PRO-*  
4 *GRAM.—*

5 (1) *ESTABLISHMENT.—There is established in*  
6 *the Bureau of Land Management a pilot program, to*  
7 *be known as the “Greater Thompson Divide Fugitive*  
8 *Coal Mine Methane Use Pilot Program”.*

9 (2) *PURPOSE.—The purpose of the pilot program*  
10 *is to promote the capture, beneficial use, mitigation,*  
11 *and sequestration of fugitive methane emissions—*

12 (A) *to reduce methane emissions;*

13 (B) *to promote economic development;*

14 (C) *to produce bid and royalty revenues;*

15 (D) *to improve air quality; and*

16 (E) *to improve public safety.*

17 (3) *PLAN.—*

18 (A) *IN GENERAL.—Not later than 180 days*  
19 *after the date of enactment of this Act, the Sec-*  
20 *retary shall develop a plan—*

21 (i) *to complete an inventory of fugitive*  
22 *methane emissions in accordance with sub-*  
23 *section (b);*

24 (ii) *to provide for the leasing of fugi-*  
25 *tive methane emissions in accordance with*  
26 *subsection (c); and*

1                   (iii) to provide for the capping or de-  
 2                   struction of fugitive methane emissions in  
 3                   accordance with subsection (d).

4                   (B) COORDINATION.—In developing the  
 5                   plan under this paragraph, the Secretary shall  
 6                   coordinate with—

7                   (i) the State;

8                   (ii) Garfield, Gunnison, Delta, and  
 9                   Pitkin Counties in the State;

10                  (iii) lessees of Federal coal within the  
 11                  counties referred to in clause (ii);

12                  (iv) interested institutions of higher  
 13                  education in the State; and

14                  (v) interested members of the public.

15                  (b) FUGITIVE METHANE EMISSION INVENTORY.—

16                  (1) IN GENERAL.—Not later than 1 year after  
 17                  the date of enactment of this Act, the Secretary shall  
 18                  complete an inventory of fugitive methane emissions.

19                  (2) CONDUCT.—The Secretary may conduct the  
 20                  inventory under paragraph (1) through, or in collabo-  
 21                  ration with—

22                  (A) the Bureau of Land Management;

23                  (B) the United States Geological Survey;

24                  (C) the Environmental Protection Agency;

25                  (D) the United States Forest Service;

1                   (E) State departments or agencies;

2                   (F) Garfield, Gunnison, Delta, or Pitkin  
3 County in the State;

4                   (G) the Garfield County Federal Mineral  
5 Lease District;

6                   (H) institutions of higher education in the  
7 State;

8                   (I) lessees of Federal coal within a county  
9 referred to in subparagraph (F);

10                  (J) the National Oceanic and Atmospheric  
11 Administration;

12                  (K) the National Center for Atmospheric  
13 Research; or

14                  (L) other interested entities, including mem-  
15 bers of the public.

16                  (3) CONTENTS.—The inventory under paragraph  
17 (1) shall include—

18                   (A) the general location and geographic co-  
19 ordinates of each vent, seep, or other source pro-  
20 ducing significant fugitive methane emissions;

21                   (B) an estimate of the volume and con-  
22 centration of fugitive methane emissions from  
23 each source of significant fugitive methane emis-  
24 sions including details of measurements taken  
25 and the basis for that emissions estimate;

1           (C) *an estimate of the total volume of fugi-*  
2           *tive methane emissions each year;*

3           (D) *relevant data and other information*  
4           *available from—*

5                   (i) *the Environmental Protection*  
6                   *Agency;*

17        *(D) PRIORITY.—*

18               *(i) IN GENERAL.—If there is more than*  
19               *1 qualified bid for a lease under this para-*  
20               *graph, the Secretary shall select the bid that*  
21               *the Secretary determines is likely to most*  
22               *significantly advance the public interest.*

23               *(ii) CONSIDERATIONS.—In deter-*  
24               *mining the public interest under clause (i),*

1           the Secretary shall take into consider-  
2           ation—

3                   (I) the size of the overall decrease  
4                   in the time-integrated radiative forcing  
5                   of the fugitive methane emissions;

6                   (II) the impacts to other natural  
7                   resource values, including wildlife,  
8                   water, and air; and

9                   (III) other public interest values,  
10                  including scenic, economic, recreation,  
11                  and cultural values.

12          (E) LEASE FORM.—

13                  (i) IN GENERAL.—The Secretary shall  
14                  develop and provide to prospective bidders a  
15                  lease form for leases issued under this para-  
16                  graph.

17                  (ii) DUE DILIGENCE.—The lease form  
18                  developed under clause (i) shall include  
19                  terms and conditions requiring the leased  
20                  fugitive methane emissions to be put to ben-  
21                  eficial use or flared by not later than 1 year  
22                  after the date of issuance of the lease.

23          (F) ROYALTY RATE.—The Secretary shall  
24          develop a minimum bid and royalty rate for  
25          leases under this paragraph to advance the pur-

1           poses of this section, to the maximum extent  
2           practicable.

3           (d) *SEQUESTRATION*.—If, by not later than 4 years  
4 after the date of enactment of this Act, any significant fugi-  
5 tive methane emissions from abandoned coal mines on Fed-  
6 eral land are not leased under subsection (c)(3), the Sec-  
7 retary shall, in accordance with applicable law, take all  
8 reasonable measures—

9           (1) to cap those fugitive methane emissions at  
10 the source in any case in which the cap will result  
11 in the long-term sequestration of all or a significant  
12 portion of the fugitive methane emissions; or

13           (2) if sequestration under paragraph (1) is not  
14 feasible, destroy the fugitive methane emissions by  
15 flaring.

16           (e) *REPORT TO CONGRESS*.—Not later than 4 years  
17 after the date of enactment of this Act the Secretary shall  
18 submit to the Committee on Natural Resources of the House  
19 of Representatives and the Committee on Energy and Nat-  
20 ural Resources of the Senate a report detailing—

21           (1) the economic and environmental impacts of  
22 the pilot program, including information on in-  
23 creased royalties and estimates of avoided greenhouse  
24 gas emissions; and

1           (2) *any recommendations by the Secretary on*  
 2           *whether the pilot program could be expanded geo-*  
 3           *graphically to include other significant sources of fu-*  
 4           *gitive methane emissions from coal mines.*

2        *agement authority under section 101703 of title*  
3        *54, United States Code.*

4        (4) *RECREATIONAL ACTIVITIES.—*

5                (A) *AUTHORIZATION.—Except as provided*  
6        *in subparagraph (B), the Secretary shall allow*  
7        *boating, boating-related activities, hunting, and*  
8        *fishing in the National Recreation Area in ac-*  
9        *cordance with applicable Federal and State laws.*

10              (B) *CLOSURES; DESIGNATED ZONES.—*

11                      (i) *IN GENERAL.—The Secretary, act-*  
12        *ing through the Superintendent of the Na-*  
13        *tional Recreation Area, may designate zones*  
14        *in which, and establish periods during*  
15        *which, no boating, hunting, or fishing shall*  
16        *be permitted in the National Recreation*  
17        *Area under subparagraph (A) for reasons of*  
18        *public safety, administration, or compliance*  
19        *with applicable laws.*

20                      (ii) *CONSULTATION REQUIRED.—Ex-*  
21        *cept in the case of an emergency, any clo-*  
22        *sure proposed by the Secretary under clause*  
23        *(i) shall not take effect until after the date*  
24        *on which the Superintendent of the Na-*  
25        *tional Recreation Area consults with—*

1                   (I) the appropriate State agency  
2                   responsible for hunting and fishing ac-  
3                   tivities; and

4                   (II) the Board of County Commis-  
5                   sioners in each county in which the  
6                   zone is proposed to be designated.

7           (5) *LANDOWNER ASSISTANCE.*—On the written  
8           request of an individual that owns private land lo-  
9           cated not more than 3 miles from the boundary of the  
10          National Recreation Area, the Secretary may work in  
11          partnership with the individual to enhance the long-  
12          term conservation of natural, cultural, recreational,  
13          and scenic resources in and around the National  
14          Recreation Area—

15               (A) by acquiring all or a portion of the pri-  
16               vate land or interests in private land located not  
17               more than 3 miles from the boundary of the Na-  
18               tional Recreation Area by purchase, exchange, or  
19               donation, in accordance with section 403;

20               (B) by providing technical assistance to the  
21               individual, including cooperative assistance;

22               (C) through available grant programs; and

23               (D) by supporting conservation easement  
24               opportunities.

1           (6) *WITHDRAWAL.*—*Subject to valid existing*  
 2           *rights, all Federal land within the National Recre-*  
 3           *ation Area is withdrawn from—*

4                   (A) *entry, appropriation, and disposal*  
 5                   *under the public land laws;*

6                   (B) *location, entry, and patent under the*  
 7                   *mining laws; and*

8                   (C) *operation of the mineral leasing, min-*  
 9                   *eral materials, and geothermal leasing laws.*

10          (7) *GRAZING.*—

11                   (A) *STATE LAND SUBJECT TO A STATE*  
 12                   *GRAZING LEASE.*—

13                           (i) *IN GENERAL.*—*If State land ac-*  
 14                           *quired under this title is subject to a State*  
 15                           *grazing lease in effect on the date of acqui-*  
 16                           *sition, the Secretary shall allow the grazing*  
 17                           *to continue for the remainder of the term of*  
 18                           *the lease, subject to the related terms and*  
 19                           *conditions of user agreements, including*  
 20                           *permitted stocking rates, grazing fee levels,*  
 21                           *access rights, and ownership and use of*  
 22                           *range improvements.*

23                           (ii) *ACCESS.*—*A lessee of State land*  
 24                           *may continue its use of established routes*  
 25                           *within the National Recreation Area to ac-*

1            *cess State land for purposes of admin-*  
2            *istering the lease if the use was permitted*  
3            *before the date of enactment of this Act, sub-*  
4            *ject to such terms and conditions as the Sec-*  
5            *retary may require.*

6            (B) *STATE AND PRIVATE LAND.—The Sec-*  
7            *retary may, in accordance with applicable laws,*  
8            *authorize grazing on land acquired from the*  
9            *State or private landowners under section 403, if*  
10           *grazing was established before the date of acqui-*  
11           *sition.*

12           (C) *PRIVATE LAND.—On private land ac-*  
13           *quired under section 403 for the National Recre-*  
14           *ation Area on which authorized grazing is occur-*  
15           *ring before the date of enactment of this Act, the*  
16           *Secretary, in consultation with the lessee, may*  
17           *allow the continuation and renewal of grazing*  
18           *on the land based on the terms of acquisition or*  
19           *by agreement between the Secretary and the les-*  
20           *see, subject to applicable law (including regula-*  
21           *tions).*

22           (D) *FEDERAL LAND.—The Secretary*  
23           *shall—*

24           *(i) allow, consistent with the grazing*  
25           *leases, uses, and practices in effect as of the*

1           *date of enactment of this Act, the continu-*  
 2           *ation and renewal of grazing on Federal*  
 3           *land located within the boundary of the Na-*  
 4           *tional Recreation Area on which grazing is*  
 5           *allowed before the date of enactment of this*  
 6           *Act, unless the Secretary determines that*  
 7           *grazing on the Federal land would present*  
 8           *unacceptable impacts (as defined in section*  
 9           *1.4.7.1 of the National Park Service docu-*  
 10          *ment entitled “Management Policies 2006:*  
 11          *The Guide to Managing the National Park*  
 12          *System”) to the natural, cultural, rec-*  
 13          *reational, and scenic resource values and*  
 14          *the character of the land within the Na-*  
 15          *tional Recreation Area; and*

16                 *(ii) retain all authorities to manage*  
 17                 *grazing in the National Recreation Area.*

18                 *(E) TERMINATION OF LEASES.—Within the*  
 19                 *National Recreation Area, the Secretary may—*

20                         *(i) accept the voluntary termination of*  
 21                         *a lease or permit for grazing; or*

22                         *(ii) in the case of a lease or permit va-*  
 23                         *cated for a period of 3 or more years, termi-*  
 24                         *nate the lease or permit.*

25                 *(8) WATER RIGHTS.—Nothing in this title—*

1           (A) affects any use or allocation in existence  
 2           on the date of enactment of this Act of any  
 3           water, water right, or interest in water;

4           (B) affects any vested absolute or decreed  
 5           conditional water right in existence on the date  
 6           of enactment of this Act, including any water  
 7           right held by the United States;

8           (C) affects any interstate water compact in  
 9           existence on the date of enactment of this Act;

10          (D) authorizes or imposes any new reserved  
 11          Federal water right; or

12          (E) shall be considered to be a relinquish-  
 13          ment or reduction of any water right reserved or  
 14          appropriated by the United States in the State  
 15          on or before the date of enactment of this Act.

16          (9) *FISHING EASEMENTS*.—

17               (A) *IN GENERAL*.—Nothing in this title di-  
 18               minishes or alters the fish and wildlife program  
 19               for the Aspinall Unit developed under section 8  
 20               of the Act of April 11, 1956 (commonly known  
 21               as the “Colorado River Storage Project Act”) (70  
 22               Stat. 110, chapter 203; 43 U.S.C. 620g), by the  
 23               United States Fish and Wildlife Service, the Bu-  
 24               reau of Reclamation, and the Colorado Division  
 25               of Wildlife (including any successor in interest to

1        *that division) that provides for the acquisition of*  
2        *public access fishing easements as mitigation for*  
3        *the Aspinall Unit (referred to in this paragraph*  
4        *as the “program”).*

5                (B) ACQUISITION OF FISHING EASE-  
6        *MENTS.—The Secretary shall continue to fulfill*  
7        *the obligation of the Secretary under the pro-*  
8        *gram to acquire 26 miles of class 1 public fish-*  
9        *ing easements to provide to sportsmen access for*  
10       *fishing within the Upper Gunnison Basin up-*  
11       *stream of the Aspinall Unit, subject to the condi-*  
12       *tion that no existing fishing access downstream*  
13       *of the Aspinall Unit shall be counted toward the*  
14       *minimum mileage requirement under the pro-*  
15       *gram.*

16               (C) PLAN.—*Not later than 1 year after the*  
17       *date of enactment of this Act, the Secretary*  
18       *shall—*

19                        (i) *develop a plan for fulfilling the ob-*  
20                        *ligation of the Secretary described in sub-*  
21                        *paragraph (B); and*

22                        (ii) *submit to Congress a report that—*

23                                (I) *includes the plan developed*  
24                                *under clause (i); and*

1                   (II) describes any progress made  
 2                   in the acquisition of public access fish-  
 3                   ing easements as mitigation for the  
 4                   Aspinall Unit under the program.

5 **SEC. 403. ACQUISITION OF LAND; BOUNDARY MANAGE-**  
 6 **MENT.**

7       (a) ACQUISITION.—

8           (1) IN GENERAL.—The Secretary may acquire  
 9       any land or interest in land within the boundary of  
 10      the National Recreation Area.

11       (2) MANNER OF ACQUISITION.—

12           (A) IN GENERAL.—Subject to subparagraph  
 13       (B), land described in paragraph (1) may be ac-  
 14       quired under this subsection by—

15                   (i) donation;

16                   (ii) purchase from willing sellers with  
 17                   donated or appropriated funds;

18                   (iii) transfer from another Federal  
 19                   agency; or

20                   (iv) exchange.

21           (B) STATE LAND.—Land or interests in  
 22       land owned by the State or a political subdivi-  
 23       sion of the State may only be acquired by pur-  
 24       chase, donation, or exchange.

25       (b) TRANSFER OF ADMINISTRATIVE JURISDICTION.—

1           (1) *FOREST SERVICE LAND.*—

2                   (A) *IN GENERAL.*—*Administrative jurisdic-*  
3                   *tion over the approximately 2,560 acres of land*  
4                   *identified on the map as “U.S. Forest Service*  
5                   *proposed transfer to the National Park Service”*  
6                   *is transferred to the Secretary, to be adminis-*  
7                   *tered by the Director of the National Park Serv-*  
8                   *ice as part of the National Recreation Area.*

9                   (B) *BOUNDARY ADJUSTMENT.*—*The bound-*  
10                  *ary of the Gunnison National Forest shall be ad-*  
11                  *justed to exclude the land transferred to the Sec-*  
12                  *retary under subparagraph (A).*

13           (2) *BUREAU OF LAND MANAGEMENT LAND.*—*Ad-*  
14           *ministrative jurisdiction over the approximately*  
15           *5,040 acres of land identified on the map as “Bureau*  
16           *of Land Management proposed transfer to National*  
17           *Park Service” is transferred from the Director of the*  
18           *Bureau of Land Management to the Director of the*  
19           *National Park Service, to be administered as part of*  
20           *the National Recreation Area.*

21           (3) *WITHDRAWAL.*—*Administrative jurisdiction*  
22           *over the land identified on the map as “Proposed for*  
23           *transfer to the Bureau of Land Management, subject*  
24           *to the revocation of Bureau of Reclamation with-*  
25           *drawal” shall be transferred to the Director of the Bu-*

1       reau of Land Management on relinquishment of the  
 2       land by the Bureau of Reclamation and revocation by  
 3       the Bureau of Land Management of any withdrawal  
 4       as may be necessary.

5       (c) *POTENTIAL LAND EXCHANGE*.—

6           (1) *IN GENERAL*.—*The withdrawal for reclama-*  
 7       *tion purposes of the land identified on the map as*  
 8       *“Potential exchange lands” shall be relinquished by*  
 9       *the Commissioner of Reclamation and revoked by the*  
 10      *Director of the Bureau of Land Management and the*  
 11      *land shall be transferred to the National Park Serv-*  
 12      *ice.*

13          (2) *EXCHANGE; INCLUSION IN NATIONAL RECRE-*  
 14      *ATION AREA*.—*On transfer of the land described in*  
 15      *paragraph (1), the transferred land—*

16           (A) *may be exchanged by the Secretary for*  
 17      *private land described in section 402(c)(5)—*

18           (i) *subject to a conservation easement*  
 19      *remaining on the transferred land, to pro-*  
 20      *tect the scenic resources of the transferred*  
 21      *land; and*

22           (ii) *in accordance with the laws (in-*  
 23      *cluding regulations) and policies governing*  
 24      *National Park Service land exchanges; and*

1                   (B) if not exchanged under subparagraph  
2                   (A), shall be added to, and managed as a part  
3                   of, the National Recreation Area.

4           (d) *ADDITION TO NATIONAL RECREATION AREA.*—Any  
5   land within the boundary of the National Recreation Area  
6   that is acquired by the United States shall be added to, and  
7   managed as a part of, the National Recreation Area.

8   **SEC. 404. GENERAL MANAGEMENT PLAN.**

9           Not later than 3 years after the date on which funds  
10   are made available to carry out this title, the Director of  
11   the National Park Service, in consultation with the Com-  
12   missioner of Reclamation, shall prepare a general manage-  
13   ment plan for the National Recreation Area in accordance  
14   with section 100502 of title 54, United States Code.

15   **SEC. 405. BOUNDARY SURVEY.**

16           The Secretary (acting through the Director of the Na-  
17   tional Park Service) shall prepare a boundary survey and  
18   legal description of the National Recreation Area.
